Thank you for taking the time to complete this follow-up survey. Your answers will help NDEP better understand the usefulness of the recently revised *Working Together to Manage Diabetes: A Guide and Toolkit for Pharmacy, Podiatry, Optometry, and Dentistry* (hereafter referred to as the PPOD Guide and Toolkit).

The survey will take approximately 5-10 minutes to complete.

If you have any questions or need any assistance, please contact Linda Baffo, of ICF Macro, at 404.321.3211 or by email at lbaffo@icfi.com.

BURDEN STATEMENT: Public reporting of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
