

Questions for Prevention Programs
Adult Version- Participants Age 18 and Older
(Revised 09/17/2014)

Public reporting burden for this collection of information is estimated to average 27 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information, if all items are asked of a participant; to the extent that providers already obtain much of this information as part of their ongoing participant intake or follow up, less time will be required. Send comments regarding this burden estimate or any other aspect of this collection of information to SAMHSA Reports Clearance Officer, Room 2-1057, 1 Choke Cherry Road, Rockville, MD 20857. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The control number for this
