DISCLOSURE OF THE HOME OFFICE COST STATEMENT

The home office cost statement is not an integral part of the providers' cost report; therefore, it is not affected by 20 CFR 422.435(c) which requires disclosure of providers' cost reports. Any request received under the Freedom of Information Act (FOIA) regarding a home office cost statement will be subjected to a case by case determination of whether to withhold the information in whole or in part. In most cases, since the home office cost statements contain information the disclosure of which may result in a competitive disadvantage for many provider chains, the exemption from disclosure provided in 5 USC, Sec. 552(b)(4) will apply.
