ABOUT THIS SURVEY

- This questionnaire is an important part of a larger study Mathematica Policy Research is conducting for the Administration for Children and Families, U.S. Department of Health and Human Services. The overall purpose of the Head Start Family Voices Pilot Study is to better understand the experiences and engagement of families participating in Head Start and Early Head Start. Participation in this project is voluntary.
- Most of the questions can be answered by placing an "X" or a "✓" in the box. For a few questions, you will be asked to provide a brief response.

- If you are unsure how to answer a question, please give the best answer you can.
- The information you provide will be used for research purposes only and will remain private to the extent allowed by law. No one from your program will see your individual responses, and your name will not be attached to any information you give us.
