Instructions:

- 1) Report part time workers at an hourly rate. Full time workers can be reported by their annual or hourly rate.
- 2) Report each employee by occupational title. Report an employee who works in two or more occupations in the job that requires the highest skill level. If there is no measurable difference in skill, report the employee in the occupation in which they spend the most time.
- 3) If you require additional space, please copy this page and submit it with your fax.
- 4) Please fax form back to the fax number listed above.
