SUPPLEMENTARY INFORMATION:

I. Background

On January 30, 2009, President Obama signed Executive Order (E.O.) 13495, "Nondisplacement of Qualified Workers Under Service Contracts." 74 FR 6103. The E.O. generally requires Federal service contracts and their solicitations to include a clause requiring the successor contractor, and its subcontractors, under a contract that succeeds a contract for performance of the same or similar services at the same location, to offer suitable employment (i.e., positions for which the employees are qualified) on the contract to those predecessor employees whose employment will be terminated as a result of the award of the successor contract. The E.O. contains a number of exclusions, including exempting contracts under the simplified acquisition threshold (currently \$150,000) and certain contracts awarded for services produced or provided by persons who are blind or have severe disabilities. The Secretary of Labor is responsible for investigating and obtaining compliance with the E.O. The E.O. also directs the Secretary, in consultation with the Federal Acquisition Regulatory Council, to issue implementing regulations within 180 days of the date of the Order to the extent permitted by law.

SUPPLEMENTARY INFORMATION:

I. Background

Section 7(e)(3)(b) of the Fair Labor Standards Act permits the exclusion from an employee's regular rate of pay, payments on behalf of an employee to a "bona fide" thrift or savings plan, profit-sharing plan or trust. Regulations, 29 CFR Parts 547 and 549 set forth the requirements for what constitutes a "bona fide" thrift or savings plan, profit-sharing plan or trust. The maintenance of the records required by the regulations enables Department of Labor investigators to determine whether contributions to a given thrift or savings plan, profit-sharing plan or trust may be excluded in calculating the regular rate of pay for overtime purposes in compliance with section 7(e)(3)(b) of the FLSA. Without these records, such a determination could not be made. This information collection is currently approved for use through January 2015.
