This notice also lists the following information:

Title of Proposal: Screening and Eviction for Drug Abuse and Other Criminal Activity.

OMB Approval Number: 2577-0232.

Description of the Need for the Information and Its Proposed Use: The information and collection requirements consist of PHA screening requirements to obtain criminal conviction records from law enforcement agencies to prevent admission of criminals into the

public housing and Section 8 programs and to assist in lease enforcement and eviction of those individuals in the public housing and Section 8 programs who engage in criminal activity. The reason for the current revision is that the 2009 submission only included the burden hours for Public Housing participants. Because the screening is done for residents in the Public Housing and Section 8 program, the calculations were updated to reflect this reality. The current calculations use the existing formula for burden hours but include voucher residents.

Agency form number, if applicable: None.

Members of affected public: State or Local Government; Public Housing Agencies (PHAs), Individuals or Households.

Estimation of the Total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Total Public Housing Burden Hours for screening & eviction (709,585 hours) + Total Voucher Burden Hours for screening & eviction of Voucher participants (1,409,229 hours) = 2,118,814.

Status of the Proposed Information Collection: Revision of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: July 13, 2012.

Merrie Nichols-Dixon,

Deputy Director, Office of Policy, Program and Legislative Initiatives.
