Title: General Administrative Requirements for Assistance Programs (Renewal)

Approved on June 30, 2014. Expires June 30, 2017.

October 29, 2014

### Justification for Non-Substantive Change

Two forms that are part of the “General Administrative Requirement for Assistance Programs – Individuals” information collection have changed. The reason for the change is to update the EPA Las Vegas Finance Center address. The address change to these forms does not affect the burden. The forms that are being updated are the EPA Form 190-F-05-001 “Fellowship Stipend Payment Enrollment Form” and EPA Form 5700-9 “Completion of Studies Notice.”
