

About a week ago, we sent you a questionnaire, *Oregon Salmon and Steelhead Recovery: What do YOU think should be done?* If you have already returned your completed survey, please accept our sincere thanks. If you have not gotten to it yet, please take some time to fill out the questionnaire and return it. As a resident of Oregon, you are one of the few who have been chosen to participate. Your answers will help us understand your opinions about these new programs.

If you did not receive the survey or it was misplaced, please contact TBD at ###-###-#### and we will send a replacement today.
