

VA Preparedness Communications Survey

The VA needs your help! We are trying to improve communication with Veterans in the event of a natural disaster.

Participation in this study is voluntary and your decision will not affect any services you receive from VA or your eligibility for services in the future. Your answers will be kept confidential. No one will connect your name to any information that you provide. We will combine your answers with answers from other participating Veterans and show data only as totals and averages.

When you are ready to begin, please hit the 'next' button to begin the survey.
