Developing a clear, comprehensive, and competitive application is estimated to take at least 25 hours, so we encourage you to start this process as soon as possible.

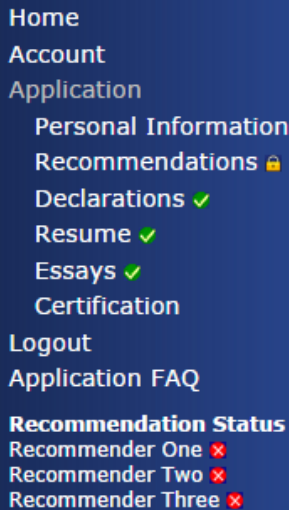

We suggest you complete the 'Personal Information' and 'Recommendation' sections of the application first. We require that all recommenders use the online system. You are responsible for ensuring that your application and three letters of recommendation are submitted by the deadline.

The application has six major sections:

1. Personal Information
2. Recommendations
3. Declarations
4. Resume
5. Essays
6. Certification

Applications will not be complete until both the application and three recommendations have been submitted online. Only applications completed by the January 15, 2015 deadline will be considered. You must use the online system to apply. We do not accept any application submissions by post, fax, or email.

If you have any technical questions or need assistance, please email technical support at WHFApplication@opm.gov. If you have general questions about the program please email whitehousefellows@whf.eop.gov or call the program office at 202-395-4522.

Recommendations

* Your application has already been submitted and may not be further modified.

NOTE: You will not be able to make changes to any part of the recommendations section once you have clicked "Submit as Final".

You must submit three references, but can provide four names if desired. Only the first three letters received will be reviewed. If a fourth recommender's letter is received, it will not be included in your application; however, it may be considered if a recommender fails to submit a letter by the deadline, and it is needed to complete your application. You are responsible for ensuring that three letters are submitted by the deadline.

These letters are extremely important, and they should reveal information about you that is not mentioned in your application. It is best to have recommendations from individuals who know you well. A recommendation from a prominent person is not helpful if that individual does not personally know you. Please note that current members of the President's Commission on White House Fellowships are not permitted to provide letters of recommendation.

It is suggested that one recommendation be from an individual who can speak to your professional competence and accomplishments in your field and that at least one recommendation be from someone with knowledge of your community and civic activities. The last recommendation should be from your current supervisor if applicable. A recommendation from a prior supervisor is acceptable, but a current supervisor is preferred. Letters should not exceed two pages. Applicants will not be able to view letters.

Once you enter and save the recommenders' names and e-mail addresses, an e-mail invitation will be sent to your recommenders. A confirmation email will be sent directly to you after each of your recommenders' letters is submitted.
