7 The Economic Research Service (ERS) of the U.S. Department of Agriculture and The
8 University of Maryland, College Park are conducting this experiment as part of a study on
9 economic decision making. The results of this experiment will help to advance economic theory
10 and our understanding of how economic markets work.

11 According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and
12 a person is not required to respond to, a collection of information unless it displays a valid OMB
13 control number. The valid OMB control number for this information collection is 0536-0070
14 (expires 06/30/2016). The time required to complete this experiment is estimated to average 90
15 minutes, including the time for reviewing instructions and completing the experiment. This
16 information collection is conducted under the authority of 7 U.S.C. 2204 (a) and 7 U.S.C. 2026
17 (a)(1).

18 This study does not require the study coordinators to access any of your personal information.
19 You do not have to provide any personal or sensitive information (e.g., relating to illegal
20 behaviors, alcohol or drug use, sexual attitudes, mental health, etc.). Information provided to this
21 study does not have the potential to damage your financial standing, employability or reputation,
22 or place you at risk of criminal or civil liability. ID numbers will be handled separately from
23 names. Efforts will be made to keep your study-related information confidential. However, we
24 must inform you that your responses are not covered by the Confidential Information Protection
25 and Statistical Efficiency Act of 2002. Your data will be protected by the Privacy Act of 1974 (5
26 USC 552a).
