

OMB Approved 0579-0071 Exp. 06/2015

According to Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this collection is 0579-0071. The time required to complete this information collection is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gather and maintaining the data needed, and completing and reviewing the collection of information.

Welcome to EMRS2 Production! New Version 15.6.11 was deployed on 6/11/2015.

After a long journey we have finally arrived, this is the real deal so only enter actual investigations here. This version includes a number of enhancements to tracing and resource management as well as extensive mapping enhancements.
