Applicants' Representations

1. The Trust, a Delaware statutory trust, is registered under the Act as an open-end management investment company. The Trust is organized as a series investment company and currently consists of 28 series, one of which is advised by the Initial Advisor.¹ The Initial Advisor is a limited liability company organized under Delaware law. The Initial Advisor is, and any other Advisor will be, registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"). The Advisor will serve as the investment adviser to each Fund pursuant to an investment advisory agreement with the Trust (each an "Advisory Agreement" and

¹ Applicants are not requesting relief for any series other than those advised by the Advisor (as defined below). Applicants request relief with respect to any existing and any future series of the Trust or any other registered open-end management company that: (a) is advised by the Initial Advisor or a person controlling, controlled by, or under common control with the Initial Advisor or its successor (each, an "Advisor"); (b) uses the manager of managers structure ("Manager of Managers Structure") described in the application; and (c) complies with the terms and conditions of the requested order (any such series, a "Fund" and collectively, the "Funds"). The only existing registered open-end management investment company that currently intends to rely on the requested order is named as an applicant, and the only Fund that currently intends to rely on the requested order is the Aurora Horizons Fund. For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. If the name of any Fund contains the name of a Subadvisor (as defined below), that name will be preceded by the name of the Advisor.

collectively, the "Advisory Agreements").² Each Advisory Agreement was or will have been approved by each Fund's respective shareholder(s) and the board of trustees of the Trust ("Board"), including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act, of the Trust, the Fund, or the Advisor ("Independent Trustees") in the manner required by sections 15(a) and 15(c) of the Act and rule 18f-2 under the Act.

2. Under the terms of each Advisory Agreement, the Advisor will provide each Fund with overall management services and, as it deems appropriate, will continuously review, supervise and administer each Fund's investment program, subject to the supervision of, and policies established by, the Board. For the investment management services it will provide to each Fund, the Advisor will receive the fee specified in the Advisory Agreement from such Fund, payable monthly at an annual rate based on the average daily net assets of the Fund. The Advisory Agreement permits the Advisor to delegate certain responsibilities to one or more subadvisors (each a "Subadvisor"), subject to the approval of the Board.³

3. Each Subadvisor will be an investment adviser as defined in section 2(a)(20) of the Act and will be registered with the Commission as an "investment adviser" under the Advisers Act. The Advisor will evaluate, allocate assets to and oversee the Subadvisors, and make recommendations about their hiring, termination, and replacement to the Board, at all times subject to the authority of the Board. The Advisor will compensate the Subadvisors out of the advisory fee paid by a Fund to the Advisor under the Advisory Agreement.

4. Applicants request an order to permit the Advisor, subject to Board approval, to select certain Subadvisors to manage all or a portion of the assets of a Fund or Funds pursuant to a Subadvisory Agreement and materially

² Each future investment advisory agreement between an Advisor and a Fund is also included in the term "Advisory Agreement". The Initial Advisor currently serves as investment advisor only to the Aurora Horizons Fund, a series of the Trust, under the Advisory Agreement.
