Annual Trawl Catcher/Processor EDR
Calendar Year January 1 – December 31, XXXX

Introduction

This report collects economic data from the Bering Sea and Aleutian Islands Management Area (BSAI) Amendment 80 Program and Gulf of Alaska (GOA) groundfish trawl fisheries.

Each person who held an Amendment 80 Quota Share (QS) permit, OR was an owner or leaseholder of an Amendment 80 vessel, OR was an owner or leaseholder of a vessel named on a License Limitation Program (LLP) groundfish license with catcher/processor (C/P) vessel and trawl gear designations and endorsed for the GOA during a calendar year must submit a Trawl Catcher/Processor EDR for that vessel and/or QS permit.

A completed EDR must be submitted for each calendar year on or before June 1 of the following year. An EDR must be timely and all information fields must be accurately completed according to instructions in this form.

All required reports must be submitted to the NMFS Data Collection Agent, Pacific States Marine Fisheries Commission electronically or by mail at the address provided below.

EDR Validation

To make sure that each company is consistently and accurately completing the EDR, an audit may be performed by a qualified accountant for the purpose of validating the data reported in this form. This step will ensure that the data can be relied upon to produce accurate and reliable information for the Alaska groundfish trawl fisheries.

If selected for validation, auditors will verify the data report by comparing specific elements of the report with your accounting records. To make this process as efficient and non-intrusive as possible, we suggest that you:

1. Keep a copy of the completed EDR or certification pages you submit. Copy and attach extra sheets as needed.
2. Keep a file that has all of the supporting information used in the preparation of the EDR.
3. Make sure that the EDR agrees to the company's highest level of financial information. For this purpose, the highest level of financial information is defined in order as:
 - a. Audited financial statements
 - b. Reviewed financial statements
 - c. Compiled financial statements
 - d. Tax returns.

Instructions for completing this EDR Form

- Provide all information requested in each section.
- Record only whole numbers. Round up dollar figures to the next whole dollar.
- Record a zero (0) or not applicable (N/A) where appropriate, and do not skip any questions or leave any data entry cells blank.
- All information reported must be current and complete as of the date of submission, including post-season adjustments and settlements.
