The authorized representative of each American Fisheries Act (AFA) inshore processor catcher vessel cooperative must submit to the Regional Administrator a catcher vessel cooperative pollock catch report detailing each delivery of pollock harvested under the allocation made to that cooperative. The owners of the member catcher vessels in the cooperative are jointly responsible for compliance.

The cooperative pollock catch report may be submitted by an electronic data file in a format approved by NMFS or by Fax. Currently, these reports are sent to NMFS by email and are used by NMFS as an audit check.

The cooperative pollock catch report must be received by the Regional Administrator by 1200 hours, A.l.t. 1 week after the date of completion of delivery.

Each Cooperative pollock catch report must include the following information:

- Cooperative account number
- Catcher vessel ADF&G vessel registration number
- Inshore processor Federal processor permit number
- Delivery date
- Amount of pollock (in lb) delivered plus weight of at-sea pollock discards
- ADF&G fish ticket number.
