

# Screenener

We are looking for students to take a survey after school. If you are selected and agree to take part in the research activities, you will receive a \$25 gift card. Please answer the questions on the following pages to see if you qualify. You will find out during your last period class today if you have been selected. If so, you will be asked to stay after school for about 20 minutes to take the main survey.

Only the researchers will know how you answer. We will not share the answers you give with anyone outside of the research study. There are no right or wrong answers to these questions.

**Paperwork Reduction Act Statement:** The public reporting burden for this information collection has been estimated to average 4 minutes per response to complete this survey (the time estimated to read and complete). Send comments regarding this burden estimate or any other aspects of this information collection, including suggestions for reducing burden, to [PRASStaff@fda.hhs.gov](mailto:PRASStaff@fda.hhs.gov).
