- National Ambulatory Medical Care Survey (NAMCS) Re-abstraction
- CASE STATUS IS: Re-abstraction Started
- Reference Week: February 27 March 4
- Press Alt-F9 to update contact information

OMB No. 0920-0234 Exp. Date 12/31/2014

Notice - Public reporting burden for this collection of information is estimated to average 1 minute per response, including time for pulling and filing each medical record. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden to: CDC/ATSDR Information Collection Review Office, 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-0234).

Assurance of confidentiality - All information which would permit identification of an individual, a practice, or an establishment will be held confidential; will be used for statistical purposes only by NCHS staff, contractors, and agents only when required and with necessary controls; and will not be disclosed or released to other persons without the consent of the individual or the establishment in accordance with section 308(d) of the Public Health Service Act (42 USC 242m) and the Confidential Information Protection and Statistical Efficiency Act (PL-107-347).
