

Reminder E-Mail

Dear _____,

You recently received an invitation to complete a survey regarding training or technical assistance you've recently received for your cooperative agreement with the Centers for Disease Control and Prevention (CDC) Division of Community Health (DCH).

Completion of this survey is voluntary but strongly encouraged. The results will help DCH serve you more effectively by ensuring that the training and TA services you receive meet your needs and preferences. Your responses will be maintained in a secure manner by our contractor, RTI International. Individually identifiable information will **NOT** be provided to DCH staff. If you have not done so yet, we would greatly appreciate you taking the time to complete the survey. ***Please complete the survey within the next week.***

Again, we thank you for your willingness to provide responses for this assessment of training and TA.

Sincerely,

Timothy LaPier
