**Network Size Questions for Respondent-driven Sampling,
Subsistence Anglers**

New York State Department of Health

The Healthy Fishing Community Project in Syracuse, NY

August 7, 2014

*Readability, calculated using the Flesch-Kinkaid Readability Option in Microsoft Word,
has been determined at the 6th grade level*

Ask the participant these questions before beginning the interview.

Script: I'm going to ask you some questions about people you know in the City of Syracuse. Not including people you live with, think about how many adults (18 and older) you see and talk with regularly.

1. Of the people in the City of Syracuse you see and talk with regularly, about how many eat fish caught in the bodies of water that we talked about?

_____ people ___ Don't know ___ Refused

2. How many of these people would you consider referring to a project like this one?

_____ people ___ Don't know ___ Refused

3. If there are people you would **not** refer to this project, why would you **not** refer all of them? Read list of reasons. (POSSIBLE REASONS WILL BE DEVELOPED DURING FORMATIVE RESEARCH.)

Check all that apply.

___ [Reason 1]

___ [Reason 2]

___ [Reason 3]

___ Other □ Specify: _____

___ Don't know ___ Refused

4. If the participant is **not** a seed: What is your relationship to the person who gave you the coupon?

___ Friend or acquaintance

___ Co-worker

___ Store owner or employee

___ Other □ Specify: _____

___ Don't know ___ Refused

5. If the participant is **not** a seed: Would you have considered referring (name of recruiter), the person who referred you?

___ Yes ___ No ___ Don't know ___ Refused
