Change due to addition of Bhutanese and different study area – i.e., Syracuse, NY and Onondaga Lake and its tributaries

Script: I'm going to ask you some questions **about Burmese and Bhutanese people you know in the Syracuse area**. Not including people you live with, think about how many adults (18 and older) you see and talk with regularly.

1. Of Burmese **and Bhutanese** people you see and talk with regularly, about how many eat fish caught in the bodies of water that we talked about?

_____ people ___ Don't know ___ Refused
