

**FPRQ Cognitive Interview Protocol
Provider Protocol**

Introduction

Hi. My name is _____ (and this is _____. _____ will be taking notes to help us remember what we cover.)

Before we get started, I want to tell you about the study and what we will be doing today.

INTERVIEWER: READ CONSENT FORM

INTERVIEWER: IF APPROPRIATE, TURN ON TAPE RECORDER.

RECORD DATE: _____

RECORD START TIME: _____

INTERVIEWER'S INITIALS: _____

NOTETAKER'S INITIALS: _____

CONSENT TO PARTICIPATE OBTAINED:	YES	NO
CONSENT TO RECORD INTERVIEW OBTAINED:	YES	NO

INTERVIEWER: IF NO TO CONSENT TO PARTICIPATE, INTERVIEW CANNOT TAKE PLACE.

Before we get started, I want to go over a few things.

The goal of our study is to develop questions about the quality of relationships between early care and education providers or (preschool) teachers and the parents of the children they care for and teach. We want to make sure that the questions that have been developed are easy to understand and make sense for [providers/teachers/Family Service Workers]. I will ask you to answer questions that have been developed by others and ask for your feedback on them.

I will be asking you to complete the sections of the survey one-by-one. After you complete each section, I will have some follow-up questions. Some of the time, I will ask you what your answer was to a question. Other times, I will ask you why you answered a question the way you did or what a certain term meant to you. Please remember that there are no right or wrong answers.

So that we get the most from your help, it is important that you tell me when something in a question does not make sense to you or seems weird to you in any way. Please tell me if:

- a question seems hard to answer,
- the words in the question are hard to understand,
- you have a hard time coming up with an answer,
- the words in the question are not the ones that [teachers/child care providers/Family Service Workers] would use,
- you think other [teachers/child care providers/Family Service Workers] may not understand,
- the questions don't apply for the ages of children you work with,
- you don't have the information to answer the question or if you think other [teachers/providers/Family Service Workers] would not be able to answer.

Any questions?

Okay, let get started.

First, we want to make sure that we are using the right words to describe the work you do.

- Can you briefly describe the work you do?

- What words or terms do you use to describe the work you do?
 - **IF NEEDED:** What do you call yourself, or how do you refer to your position?

 - **ALL:** Is this the same as your job title? If not, what is your job title?

- Are there any other words or terms that you would use?

- Are there terms or words you don't like when others use to describe you and the work you do?

INTERVIEWER: MAKE SURE TO COLLECT ENOUGH INFORMATION TO KNOW WHETHER THE RESPONDENT IS WORKING IN A HEAD START SETTING.

INTERVIEWER: USE THE WORDS AND PHRASES THAT THE RESPONDENT USED IN PROBES AND FOLLOW-UP QUESTIONS, AS APPROPRIATE.

IF IN-PERSON INTERVIEW: GIVE R QUESTIONNAIRE

IF PHONE INTERVIEW: ENSURE R HAS QUESTIONNAIRE

Let's start with the set of questions on page 1. Please read and answer questions 1 and 2. Take as much time as you need and let me know when you are done.

CONCLUSION - GENERAL PROBES:

Before we end, are there any other aspects about the relationship between parents and those that care for/teach their children that we should have asked about, but didn't?

As we were going through these questions in this whole survey, were there any questions that didn't seem to apply to you, times when the response options didn't match how you wanted to answer, that didn't make sense to you, or that you wanted to comment on that we didn't already talk about?

In general, did these questions make sense for you and the work you do with families and children?

Is there anything else you would like to share about how the questions worked for you or whether you found the questions to be relevant to your experiences?

Thank you for participating in this survey!
