Broadcasters

Under section 203(b)(4) of the Immigration and Nationality Act, the International Broadcasting Bureau of the United States Broadcasting Board of Governors (BBG), or a grantee of the BBG, may petition for an alien (and the alien's accompanying spouse and children) to work as a broadcaster for the BBG or a grantee of the BBG in the United States. For the purposes of this section, the terms:

- **BBG grantee** means Radio Free Asia, Inc (RFA) or Radio Free Europe/Radio Liberty,

Inc. (RFE/RL)

- **Broadcaster** means a reporter, writer, translator, editor, producer or announcer for news broadcasts; hosts for news broadcasts, news analysis, editorial and other broadcast features; or a news analysis specialist. The term broadcaster does not include individuals performing purely technical or support services for the BBG or a BBG grantee.

All Form I-360 petitions submitted by the BBG or a BBG grantee on behalf of an alien for a broadcaster position with the BBG or BBG grantee must be accompanied by a signed and dated supplemental attestation that contains the following information about the prospective alien broadcaster:

(i) The job title and a full description of the job to be performed; and

(ii) The broadcasting expertise held by the alien, including how long the alien has been performing duties that relate to the prospective position or a statement as to how the alien possesses the necessary skills that make him or her qualified for the broadcasting-related position within the BBG or BBG grantee.

Follow the instructions on Form I-360 on where to file your petition.
