Other change** This is a request to update current OMB IC 1845-0030 to reference award year and date changes for the 2014-2015 FISAP report and the 2016-2017 Application to Participate. There is one new field on the FISAP, Field 4c, Part V of Section B that has been added to allow the 7 participating Work College institutions to report FWS fund transfers to and from the Work College Program for improved accounting of federal funds. Because of the small number of institutions that will need to use this new line item, no change in responses/respondent or burden hours is reflected. There is no additional cost to the Federal Government for these updates.
