**IMPORT REQUEST
(SHELL EGGS)**

INSTRUCTIONS FOR COMPLETION AND DISTRIBUTION: Importers or their agents may obtain this form by contacting the Livestock, Poultry and Seed Program offices website at: <http://www.ams.usda.gov/LPS>

Importer

1. Complete Sections A, B, C, and D.
2. Mail the completed form to:

Quality Assessment Division
Livestock, Poultry and Seed Program
Agricultural Marketing Service, USDA
Room 3932-S, Stop 0258
1400 Independence Avenue, SW
Washington, DC 20250

To electronically file the form with LPS:

QAD.importrequesteggs@ams.usda.gov

3. The issued Import Request, Form LPS-222 will be returned by mail. Alternate arrangements to return the Import Request can be established. The issued Import Request must be presented to U.S. Customs and Border Protection officials for conditional release pending inspection.
4. The importer or agent responsible for the shipment must provide LPS, USDA, with a contact at the shipment destination location. An LPS representative will schedule an inspection of the product and applicable import documents.

Livestock, Poultry and Seed Representative

1. When the Import Request submitted is acceptable, enter in the shell egg affidavit number issued (located at the top right-hand corner of the form).
2. Upon arrival, complete inspection of the product and import documents. If acceptable for entry, sign and date Section E.
3. When refused entry, record the appropriate information in the bottom portion of Section E. Inform the U.S. Customs and Border Protection official(s) at the point of entry.

Food Safety and Inspection Service Representative

1. Measure the ambient transport temperature inside the conveyance unit.
2. Record results in Section E.
3. If the shipment is refused entry, document the cause and disposition. Mail the completed form to the LPS office listed to the left of this form and notify the U.S. Customs and Border officials.
4. For a shipment accepted, sign and date and return form to importer's/consignor's agent.

Electronic Filing of Import Request

Follow the guidance provided on the Customs and Trade Automated Interface Requirements (CATAIR) website listed below for submission of an Import Request through the ACE system (Automated Commercial Environment):

<http://www.cbp.gov>

Search CATAIR for the message set – Shell Egg Inspection.

Contact LPS for the issuance of an Import Request:
(202) 720-3271.

* AMS jurisdiction for inspection is limited to eggs originating from the domesticated chicken, turkey, duck, goose, or guinea.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0113. The time required to complete this information collection is estimated to average .33 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
