Subject line: Now available: Complete the U.S. Census Survey

Dear Resident:

A few weeks ago you told us to notify you when the 2015 Census Test was ready to be completed. Now is the time to complete this survey. Your response to this brief survey is important and will help in our efforts to develop new methods that will make the next census easier, more convenient, and less costly for taxpayers. Results from the next census will be used to help each community get its fair share of federal funding for many programs that you and your neighbors need.

Please complete the survey online **by April 1** at

<https://respond.census.gov/censustest/ucount>

Respond on time to avoid a personal visit from a Census Bureau interviewer. Help us conserve natural resources, process data more efficiently, and save taxpayer money by responding online. If you are unable to complete the survey online, you may call 1-866-226-2836 toll-free to provide your census information over the phone.

You are required by U.S. law to respond to this survey. The Census Bureau is required by U.S. law to keep your answers confidential. Your answers will only be used for statistical purposes, and no other purpose. For more information about how we protect your information, please visit our website at www.census.gov and click on "Data Protection & Privacy Policy."

Thank You.

Sincerely,

John H. Thompson
Director, U.S. Census Bureau
