OFFICE OF THE DIRECTOR

June 15, 2015

Dear Resident:

We are contacting you to request your help with a brief, one-time survey called the 2015 Census Test. The goal of this survey is to develop new methods to make the next census easier, more convenient, and less costly for taxpayers. Sometime in the next few weeks, a Census Bureau representative may contact you to ask a few simple questions about your household.

Your cooperation in this research is required by law. Results from the next census will determine congressional representation as required by the U.S. Constitution. Accurate data are crucial in deciding how federal and state funds are distributed each year, including funding for highways, schools, health facilities and many other programs you and your neighbors use and need.

If you would like more information, please visit [www.census.gov/survey\\_participants](http://www.census.gov/survey_participants) or call our toll-free number at 1-866-226-2836.

Thank you.

Sincerely,

John H. Thompson  
Director
