OFFICE OF THE DIRECTOR

To Your Household:

The U.S. Census Bureau is conducting the 2015 Census Test in your community. An accurate census test will help in our efforts to develop new methods that will make the next census easier, more convenient, and less costly for taxpayers. Results from the next census will be used to help each communities get their fair share of federal funding for many programs that you and your neighbors need.

As part of the 2015 Census Test, we need to determine how well we counted the people in your community. We may have recently visited your household, but we now have a few additional questions to ask you. Your participation is very important and the information you provide will help determine the accuracy of the 2015 Census Test count.

Your response is required by law (Title 13 of the United States Code). This same law also protects your information, keeping your answers strictly confidential. This requirement means the Census Bureau cannot give out information that identifies you or your household. Your survey answers will be used only for statistical purposes. Any Census Bureau employee who violates these provisions is subject to a fine up to \$250,000 or a prison sentence up to five years, or both. This survey has been approved by the Office of Management and Budget and given approval number XXXX-XXXX. This approval and Title 13, United States Code, allow us to conduct these interviews.

The interview will take about 10 to 15 minutes, on average. If you have any questions or comments about this interview, please send them to the following address:
