Purpose - This survey is to gather information on the credit, debit, charge, automated teller machine (ATM), and point of sale transactions. The information collected will be used to formulate U.S. international economic policy and to analyze the impact of that policy on the U.S. economy. It is also used for estimating the travel component of the U.S. international transactions accounts and national income and product accounts.

Authority - This survey is being conducted under the authority of the International Investment and Trade in Services Survey Act of 1978. Reporting on this survey is mandatory under Section 5(b)(2) of the Act (22 U.S.C. 3104). Regulations for the survey may be found in 15 CFR 201.10.

Penalties - Whoever fails to report may be subject to a civil penalty of not less than \$2,500, and not more than \$25,000, adjusted for inflationary adjustments. Those adjustments are found in 15 CFR 6.4. Whoever willfully fails to report shall be fined not more than \$25,000, adjusted for inflationary adjustments. Any director, employee, or agent of any corporation who knowingly participates in such violations, upon conviction, may be punished as a misdemeanor. A corporation is not subject to any penalty or failure to report if a valid Office of Management and Budget (OMB) control number is not provided.

Confidentiality - The Act provides that your report to this Bureau is CONFIDENTIAL and may be used only for analytical or statistical purposes and may be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, in

Instructions:

1. Schedule A: Report qualifying transactions between foreign cardholders and U.S. merchants or cash sale (POS) networks that your firm operates.

2. Schedule B: Report qualifying transactions between U.S. cardholders and foreign merchants or cash sale networks that your firm operates.

The remaining instructions are applicable to both Schedule A and Schedule b unless otherwise specified.

3. Column 2: Report all cash advances and withdrawals. See **Additional Instructions** below for further guidance.

4. Columns 3-14: In columns 3-8, report purchases for which the card is present at the point of sale, (including Internet and phone transactions), by spending category. The spending category of each transaction is listed in the **Additional Instructions** below for further guidance.

5. Line 1: Enter the total value of all transactions for the period indicated in Part I, question 2.

6. Lines 2, 3, and 4: On line 2, report business or corporate card transactions; on line 3, report personal card transactions; on line 4, report government card transactions.

7. Beginning on line 5: Report transactions by country. Enter the country name in column 1. Use as follows:

a. Schedule A: Enter data on transactions between foreign cardholders and U.S. merchants or cash sale networks (determined, enter transactions based on the location of the foreign card issuer.)

b. Schedule B: Enter data on transactions between U.S. cardholders and foreign merchants or cash sale networks.

Note:

§ Report in U.S. dollars rounded to thousands (omitting 000). Example - \$1,555,555.00 should be reported as 1,556.

§ Report gross amounts charged to the cardholders (net of fees), not the amounts that merchants receive.

§ Transactions should be reported net of any credits from returns, refunds, and any other reversals or adjustments.

Definitions:

§ **Business or corporate card** - a payment or bank card issued to a business or corporate entity.

§ **Cash advance and withdrawal** - currency amount borrowed or withdrawn using a credit, debit, charge, or ATM card.

§ **Cash dispenser** - company or institution that dispenses currency amounts to cardholders making cash withdrawals.

§ **Foreign cardholder** - a holder of a card issued by a foreign bank or institution.

§ **Foreign merchant** - an entity located outside of the United States that accepts payments on credit, debit, charge, or ATM cards.

§ **Government card** - a payment or bank card issued to a local, state, or federal government organization.

§ **Merchant category code (MCC)** - a 4-digit code that is used to classify merchants based on their line of business. Report card transactions by merchant business line.

§ **Purchase** - a purchase of goods or services made through a credit, debit, charge, ATM, or POS card network.

§ **Qualifying transaction** - any transaction that is run using an MCC that falls into one of the seven categories of omitted goods and services.

§ **Transaction** - an exchange of funds conducted through a credit, debit, charge, ATM, or POS card network.

§ **U.S. cardholder** - a holder of a card issued by a U.S. bank or institution.

§ **U.S. merchant** - an entity located within the United States that accepts payments on credit, debit, charge, or ATM cards.

§ **United States** - when used in a geographical sense means the fifty states, the District of Columbia, and Puerto Rico.

Additional Instructions:

1. Columns 2-14: Classify all transactions into the appropriate cash or spending categories based on the merchant category code (MCC). **Report transactions run using the MCCs that are listed as omitted goods and services.**

2.If a transaction is classified to an MCC that does not appear in the **Summary of MCCs by Cash and** transactions by spending category and omitted transactions provided below. *For example, if a trans*
