The next Defense Security Service (DSS) survey of Personnel Security Investigation Requirements Projections (Survey) is scheduled to deploy on or about March 10th. This email serves to validate contact information, give you a chance to identify the type of submission you will be completing, allow you to view updates to the Survey, and give you the chance to provide any questions you may have ahead of time.

Below is your link to participate, please take a few minutes to review the information within the link as it should take no more than a few minutes.

Subject: 2nd Reminder - PSI DSS Contact Info Validation Survey with Survey Link

Due to a low response rate and overwhelmingly requests to resend the survey link, we are sending this 2nd reminder. Also, we will extend the deadline until COB Wednesday 2/26/2014

If you have already responded, please disregard this email.
