(01/31/2014) Upcoming Personnel Security Investigation (PSI) Projection Survey

Annual NISP PSI Requirements Projection Survey-Two stages:

STAGE ONE-February 10-24, 2014: Contact Validation Survey to determine if a facility will be included under a consolidated response.

This survey will precede the annual web-based Personnel Security Investigations requirements survey to determine if your projection will be consolidated under a parent cage code. Your response should include your cage code and that of the parent! The survey is scheduled to remain open for a two week period beginning February 10, 2014 and closing February 24, 2014.

STAGE TWO-March 2014: Deployment of the annual web-based survey to identify Facility Personnel Security Investigation requirements for FY15-17. The Survey will be fielded on or about March 10, 2014 and will remain open for four weeks.

A full notice with updates to the Survey can be seen here and content and screenshot examples can be viewed here. Questions pertaining to the Spring 2014 PSI Projection Survey can be directed to DSSPSISurvey2014@dss.mil.
