MEMORANDUM FOR: DSS (ATTN: Ms. Dany EA)

SUBJECT: DMDC Review of Defense Security Service (DSS) Personnel

Security Investigations (PSI) -Projected Requirements Survey for

OMB Reinstatement

As requested, DMDC has reviewed the proposed study and its supporting materials. The survey is essentially a form needed to provide estimates of PSI clearance investigation and review requirements. Our review found it to be in order.

Our recommendation to WHS/ESD is that that the study protocol and the data collection materials are sufficiently designed and developed in order to be sent forward as required to obtain OMB approval for a reinstatement as a Public Information Collection.

The point of contact for this review is Dr. Paul Rosenfeld, 571-372-0987, paul.rosenfeld.civ@mail.mil.
