Subject: 2014 PSI Survey Notice

Good afternoon Mr. McCausland ,

This is a courtesy email to inform you that DSS will deploy the Survey on or about March 10, 2014. Below is our posting notice to Industry.

2014 Annual Personnel Security Investigations (PSI) Survey Deployment Timelines

Annual NISP PSI Requirements Projection Survey-Two stages:

STAGE ONE-February 10-24, 2014: Contact Validation Survey to determine if a facility will be included under a consolidated response.

This survey will precede the annual web-based Personnel Security Investigations requirements survey to determine if your projection will be consolidated under a parent cage code. Your response should include your cage code and that of the parent! The survey is scheduled to remain open for a two week period beginning February 10, 2014 and closing February 24, 2014.

STAGE TWO-March 2014: Deployment of the annual web-based survey to identify Facility Personnel Security Investigation requirements for FY15-17. The Survey will be fielded on or about March 10, 2014 and will remain open for four weeks.

Facility participation in the Survey is critical to DoD program planning and budgeting for NISP security clearances and forecasting workload requirements by the Office of Personnel Management.

Survey invitations will contain a securitysurveys.net survey link. As in years past, verification of the legitimacy of the Survey URL can be obtained through your Cognizant Security Office. If you have any questions, please send them to our mailbox: DSSPSISurvey2014@dss.mil.

Thank you,
PSI Survey Team

NATIONAL INDUSTRIAL SECURITY PROGRAM POLICY ADVISORY COMMITTEE (NISPPAC)
