ATTACHMENT C1 PROGRAM SURVEY

Form Approved OMB Control No: XXXXX Expiration Date: XXXXXX

WISEWOMAN Program Survey

Public Burden Statement: Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Centers for Disease Control and Prevention/Agency for Toxic Substances and Disease Registry Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Sections:

| Α | PROGRAM BACKGROUND AND MANAGEMENT |
|---|-----------------------------------|
| В | CLINICAL SERVICES |
| С | HEALTH BEHAVIORAL SUPPORT |
| D | MONITORING AND EVALUATION |
| E | ADDITIONAL FEEDBACK |

Administrative Notes:

- The instrument is designed in an editable PDF format, estimated at 60 minutes in length.
- Skip patterns, where applicable, will be specified next to response options with arrows.
- The survey will be administered in English only.
- The survey will be administered two times once in Year 2 and once in Year 4. Items that refer to the program year are noted in this instrument using brackets and gray highlighting (e.g., [2 or 4]). We will ultimately create two versions of the survey based on year of administration.
- Items that allow multiple responses have the instruction to "Select all that apply," and items allowing only a single response have the instruction to "Select one only".

INTRODUCTION AND CONSENT

Form Approved OMB Control No: XXXXX Expiration Date: XXXXXX

Since 1995, the Well-Integrated Screening and Evaluation for Women Across the Nation (WISEWOMAN) program has provided women with services to support prevention, management, and treatment of cardiovascular disease. Your input on the experiences of your WISEWOMAN program enable us to better understand how programs are supporting women and the most effective ways that programs are doing so.

This survey should take approximately 60 minutes to complete. Participation in the survey is completely voluntary and you may choose to skip any question. Your responses will be kept private and used only for research purposes. The evaluation will not identify individuals or organizations in its reports to the Centers for Disease Control and Prevention (CDC). Your answers will not have any impact on the funding or any other support that your WISEWOMAN program and agency may receive.

To expedite completion of the survey, we recommend that you have your work plan, budget, annual reports, and other program and policy documents (such as, provider contracts and requirements) easily accessible as you go through the survey.

When you have finished responding, save and email the completed survey to WISEWOMANTA@mathematicampr.com

If you have any questions about the survey, please do not hesitate to contact Katie Morrison at (202) 264-3450 or WISEWOMANTA@mathematica-mpr.com. If you have questions about the research, contact So O'Neil at Mathematica Policy Research. You can reach So by calling (617) 301-8975 or emailing SOneil@mathematica-mpr.com. If you have questions about your rights as a research participant, contact Kate Marchand at the IRB Office by calling (617) 243-3924 or emailing kate.marchand@neirb.com.

Thank you for participating in this survey. By completing the survey and submitting your responses, you are confirming that you understand the information you provide will be kept private, used only for research purposes, and that your answers will be combined with the responses of other grantees so that no individuals or programs are identified. Please retain a copy of this study information for your future reference.

Public Burden Statement: Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Centers for Disease Control and Prevention/Agency for Toxic Substances and Disease Registry Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

SECTION A. PROGRAM BACKGROUND AND MANAGEMENT

The first section contains general questions about your WISEWOMAN program, including questions about:

- Program objectives
- Professional development
- Grants management and budgeting
- Clinical service contracts and agreements, and
- Program eligibility and recruitment.

Program Objectives

A1. Currently, what are your specific program's objectives?

Please describe the <u>specific objectives</u> your program hopes to accomplish in your state or tribal area. These objectives may include those discussed with your state health department and tribal organization and could be related to specific populations, initiatives or interventions, or disease areas.

| , | | |
|---|--|--|

Professional Development

The next questions are about professional development opportunities offered to staff through WISEWOMAN funding.

A2. Does your program provide any professional development opportunities for any staff funded in part or full by WISEWOMAN (including internal staff, providers, and other contractors)?

Select one only

| 1 | O | Yes |
|---|--------------|---------------|
| 2 | \mathbf{O} | No → GO TO A6 |

A3. Below is a list of broad topics that some WISEWOMAN grantees address through staff professional development. Since July 2013, how frequently has your program addressed each of the following topics through professional development, if at all?

Include professional development offered to any staff who are funded in part or full by WISEWOMAN (including internal staff, providers, and other contractors).

| | Sel | ect one per rov | V | |
|---|------------------|-------------------------|-----------------------|----------------------------|
| | Never | Less than once per year | 1-2 times per year | More than 2 times per year |
| a. WISEWOMAN orientation and program basics | O 0 | 1 O | 2 Q | 3 O |
| b. Identification of abnormals and alerts | O 0 | 1 O | 2 O | O 8 |
| c. Proper clinical measurement technique | O 0 | 1 O 1 | 2 O | 3 O |
| d. Patient-centered risk reduction counseling | \mathbf{C}_{0} | 1 O | 2 Q | 3 O E |
| e. WISEWOMAN data monitoring/ tracking system. | O 0 | 1 O 1 | 2 O | O 8 |
| f. Motivational interviewing | O 0 | O 1 | 2 O | O 8 |
| g. Health coaching | O 0 | 1 O | 2 O | O 8 |
| h. Data quality and improvement techniques | O 0 | O 1 | 2 O | O 8 |
| i. Other professional development opportunities | O 0 | 1 O | 2 Q | 3 O |

| f. | Other type of professional development not listed above | 1 🗆 | 2 🗖 | з 🗖 | 4 🗖 | 5 🗖 | 6 □ |

Grants Management and Budget

The next questions are about your program's budget and funding sources in program year [2 or 4].

A6. Thinking about your program's total budget (including cash, in-kind support, and donated materials/ services), what percent of your funding used by WISEWOMAN comes from the following sources:

Please answer for program year [2 or 4].

| | | % FUNDING | |
|----|--|-----------|---------|
| a. | From CDC WISEWOMAN? | | |
| b. | From other federal funds (such as BCCEDP, Heart Disease and Stroke Prevention Program, or other federal programs)? | | |
| C. | From some other source (such as American Heart Association or state matching funds)? | | |
| TO | TAL | 100% | / |

A7. For each program activity listed below, does your program use funding <u>from CDC</u>
<u>WISEWOMAN</u> to support the activity (either in part or in full)? Please answer for program year [2 or 4].

| | | | Se | lect one respoi | | |
|----|---|----------|----|-----------------|--------|-------------------|

| h. | Mailing hard copy forms to participants | | | | 3 | O |
| i. | Other use of CDC funding | | | | 3 | O |
| | | Specify: | | | | |

Clinical Service Contracts and Agreements

The next questions ask about the contracts or formal agreements that your program has with organizations to provide clinical services to participants.

A8. Of the clinical provider sites that serve WISEWOMAN participants, what percentage use electronic medical records (EMRs) for intake and tracking?

Select one only

A9. How does your organization ensure that clinical service providers follow program guidelines?

| | F | | |
|----|---|---|-----------|
| | | | Select on |
| | | | response |
| | - | | I I I I |
| | | | |
| | | | |
| a. | Conduct site visits | | |

| A10. What is the payment structure that your organization uses to pay for clinical services? | |
| Select one response per row | |
| | |
| a. Fee for service | |
| b. Capitated per participant | |
| c. Capitated by practice | |
| d. Pay for performance | |
| e. Bundled payment system | |
| f. Don't reimburse for clinical services | |
| g. Other payment structure(s) | |
| | |
| Specify: | |
| A11. When does reimbursement for clinical services | |
| occur? Select all that apply | |
| □ Immediately after notification of the service | |
| delivery/submission of service data whether or not it is complete | |
| 2 A set amount of time after notification of service delivery/submission of data whether or not it is complete | |
| ₃ ☐ After data are considered complete for a record | |
| 4 ☐ No set time period for reimbursement | |
| Eligibility and Recruitment | |
| The next questions are about your program's eligibility requirements and recruitment strategies. | |
| A12. In addition to WISEWOMAN eligibility criteria, what <u>other</u> criteria does your program use determine eligibility? | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |

| WIS | EWOMAN PROGRAM SURVEY | |
|-----|--|---------------------|
| A13 | How does your program (including internal staff, providers and/or other contractors) identify eligible participants? | |
| | Select one response per row | |
| a. | Review Breast and Cervical Cancer Early Detection Program (BCCEDP) list of women and follow-up with eligible individuals | |
| b. | Referrals from providers | |
| C. | Outreach into the community | |
| d. | Other method(s) for identifying eligible participants | |
| | 0.016 | |

SECTION C. HEALTH BEHAVIORAL SUPPORT

The next section is about health behavioral support that your WISEWOMAN program provides to participants. These questions will be divided into three sub-sections focusing on:

- Lifestyle programs
- Health coaching
- Other community-based resource referrals

Lifestyle Programs

The next questions are about Lifestyle Programs only.

C1. Which of the following criteria does your organization consider when referring participants to lifestyle programs?

Select all that apply

| | ┌ ¹ | Participant risk level |
|---|------------|--|
| ٢ | 2 | Participant readiness to change |
| | 3 | Accessibility of the resource (e.g., scheduling, location, hours of operation) |
| | 4 | We refer all women to lifestyle programs → GO TO C3 |
| ļ | 99 | Priority goals identified |
| • | | Specify: |

C2. How does your program use readiness to change categories to determine participant eligibility for lifestyle programs?

For the readiness to change categories listed below, indicate whether a participant in the specified category would be eligible for lifestyle programs, would possibly be eligible for lifestyle programs, or would not be eligible for lifestyle programs?

Select one response per row Pre-contemplation.....

Contemplation..... b.

Preparation.....

d. Action.....

Maintenance.....

C3. Does your program use any of the following methods to support completion of a Lifestyle Program? Select one per row

per
