

Attachment D: Follow-Up Email

(TCP Program Managers):

Thank you for participating in the phone interview of the Component Model of Infrastructure (CMI) Mini Tool. We expect to have completed the data analysis by {DATE}, at which time we will be happy to share preliminary, aggregate results touching on each of the five components with you. If you are interested in seeing the results, please contact your project officer.

If you have any questions regarding our infrastructure data collection effort, please contact Rene Lavinghouze by phone (770-488-5905) or email (rlavinghouze@cdc.gov). Thank you so much for your time and effort.

Regards,

The OSH Evaluation Team
