

WHO Collaborating Center for Influenza Influenza virus Surveillance
(Internet; year round) (CDC 55.31)

The screenshot shows a web browser window with the URL <http://www2a.cdc.gov/flu/fluLab.asp>. The page title is "Laboratory Internet Reporting System" and it is part of the "U.S. WORLD HEALTH ORGANIZATION COLLABORATING LABORATORIES INFLUENZA VIRUS SURVEILLANCE" system. The "Data Input Page" shows a "Lab ID Number: 209". The form includes fields for "(City)" (San Juan), "(State)" (PR), and "Report for week ending (mm/dd/yyyy)" (5/3/2014). A table for "Patient's age in years" has columns for <1, 1-4, 5-24, 25-44, 45-64, >=65, and Unk. Below the table is a "Comments" section with a text area and a note: "*Note: Symbols are not allowed." At the bottom are "Save Data" and "Reset" buttons.
