

Parental Mental Health Study

Expectant or Recently New Parents: Do you want to be part of a short telephone research study?

This is a study about feelings, behaviors, and mental health of expectant & recently new parents. We are recruiting:

English-speaking parents 18 and older who are expecting a baby or have had a baby in the past 4 weeks.

- You will participate in a 10 minute phone interview about your health, feelings, and use of any alcohol or drugs
- You may be asked to participate in a second, 30 minute phone interview that asks similar questions
- Your answers will be kept confidential
- You will receive a monetary incentive as a token of appreciation for your participation.
