SUB AGENCY (I/C): CSR

TITLE: CSR New Chair Orientation Survey

GENERIC CLEARANCE UNDER OMB# 0925-0474 **EXP. DATE:** 10/31/2014

ABSTRACT:

The mission of CSR is to ensure that NIH grant applications receive fair, independent, expert and timely scientific review. Study section Chairs play a crucial role in this peer review process since they guide the scientific discussions. To assist Study Section Chairs in being effective leaders of Scientific Review Groups (SRGs) at CSR, and to help them achieve peer review of the highest quality and fairness, CSR has expended considerable effort in providing an orientation session to Chairs. To better understand the effectiveness and quality of the study section Chair orientation session, CSR proposes to conduct an evaluation of chair orientation under the OMB control number 0925-0474, with expiration date 10/31/2014. The survey will assess study section Chairs' satisfaction with the orientation they received. It will also allow the Chairs to indicate the areas for improvement, as well as to make candid comments and constructive suggestions on the orientation session. The information collected from the survey will help refine and improve the quality of future Chair sessions. Automated information technology will be used to collect and process data for this survey. Participation in the survey will be strictly voluntary and individual respondents will not be identified. CSR will not provide payment or other forms of remuneration to respondents in collecting feedback.
