

B. Collection of Information Employing Statistical Methods If statistical methods will not be used to select respondents and item 17 on Form 83-I is checked “No” use this section to describe data collection procedures.

Sampling methods will not be used. Data will be collected from all Title X funded centers.

1. Respondent Universe and Sampling Methods

We plan to survey all Title X funded centers because the data being collected will be used to understand the impact of Title X funded centers on assisting and enrolling clients into insurance programs. We will utilize this information to guide strategic planning around how Title X service sites prepare for, and assist with, the full implementation of the Affordable Care Act (ACA). Sampling will not provide needed information for each center.

2. Procedures for the Collection of Information
