NOTE: This report is authorized by law (30 U.S.C., 901 et. seq. and 20 CFR 718.102) and required to obtain a benefit. The results of this interpretation will aid in determining the miner's eligibility for black lung benefits. Disclosure of a social security number is voluntary. The failure to disclose such number will not result in the denial of any right benefit, or privilege to which the claimant may be entitled. This method of collecting information complies with the Freedom of information Act, the Privacy Act of 1974, and OMB Cir. No. 108.

Please record your quality finding of a single image by placing "X" in the appropriate boxes on the form and return it promptly to the office that requested the interpretation. The form must be completed as per instructions, signed by a physician, and contain the miner's name, and social security number. The Department of Labor will pay only for images of acceptable quality (1, 2 and 3). Images of inferior quality (U/R) must be retaken without cost to the

Department.
