**TITLE OF INFORMATION COLLECTION:** CDFI Fund: Certified CDFI Disability Survey

**PURPOSE:**

The “Certified CDFI Disability Survey” is an effort by the U.S. Department of the Treasury’s Community Development Financial Institutions Fund (CDFI Fund) to gain insight into how Certified Community Development Financial Institutions (CDFIs) support individuals with disabilities and their families.

With the upcoming 25<sup>th</sup> anniversary of the Americans with Disabilities Act (ADA), the CDFI Fund would like to better understand how its programs are being utilized to support this important constituency through a voluntary survey. The results of the survey will be used to educate staff within the CDFI Fund and Treasury about the benefits being realized by disabled Americans.

The survey questions are designed to identify the range of services CDFIs may be offering to the disabled, including financing affordable housing and community facilities, providing financing for assistive technology as an alternative to predatory lending products, and financial education and asset development products and services.

**DESCRIPTION OF RESPONDENTS:**

Respondents to the survey will be CDFI Fund-Certified Community Development Financial Institutions.
