### **Background Information**

This guide provides an orientation for new users and a review for experienced users who are the State and Territory Teacher Cancellation Low Income Directory (TCLI) Contacts.

Each July, the Department of Education (the Department) Federal Student Aid (FSA) Liaison sends an e-mail message to the State and Territory Liaisons to remind them to update the TCLI Directory for the new school year.

### **The TCLI Directory**

Eligibility requirements for teachers to receive loan cancellation or forgiveness under the Federal Perkins Loan (Perkins Loan) Program, the Federal Family Education Loan (FFEL) Program, and the William D. Ford Federal Direct Loan (Direct Loan) Program is that they must teach at a school or educational service agency serving low-income families that is listed in the TCLI Directory. In addition, teaching at a low-income school or educational service agency listed in the TCLI Directory is one of the requirements for satisfying the service obligation under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program. If a State or Territory does not update its list of low-income schools and educational service agencies, Perkins Loan, FFEL, and Direct Loan borrowers and TEACH Grant recipients who teach in the state may not receive federal program benefits to which they may be entitled.

The Department of Education provides authorized state officials the ability to electronically update the list of schools and educational service agencies that serve low-income families at any time. Although authorized state officials are the only ones who can use the “Login” button to update the information, the TCLI Directory may be searched by anyone (including post-secondary schools, loan holders and the public) by using the “Search” button on the home page.

Instructions explaining how state and territory officials update the TCLI Directory as well as examples of how the public uses the TCLI Directory are included in this guide.

We appreciate your efforts to keep the TCLI Directory current so that students can receive these important benefits.

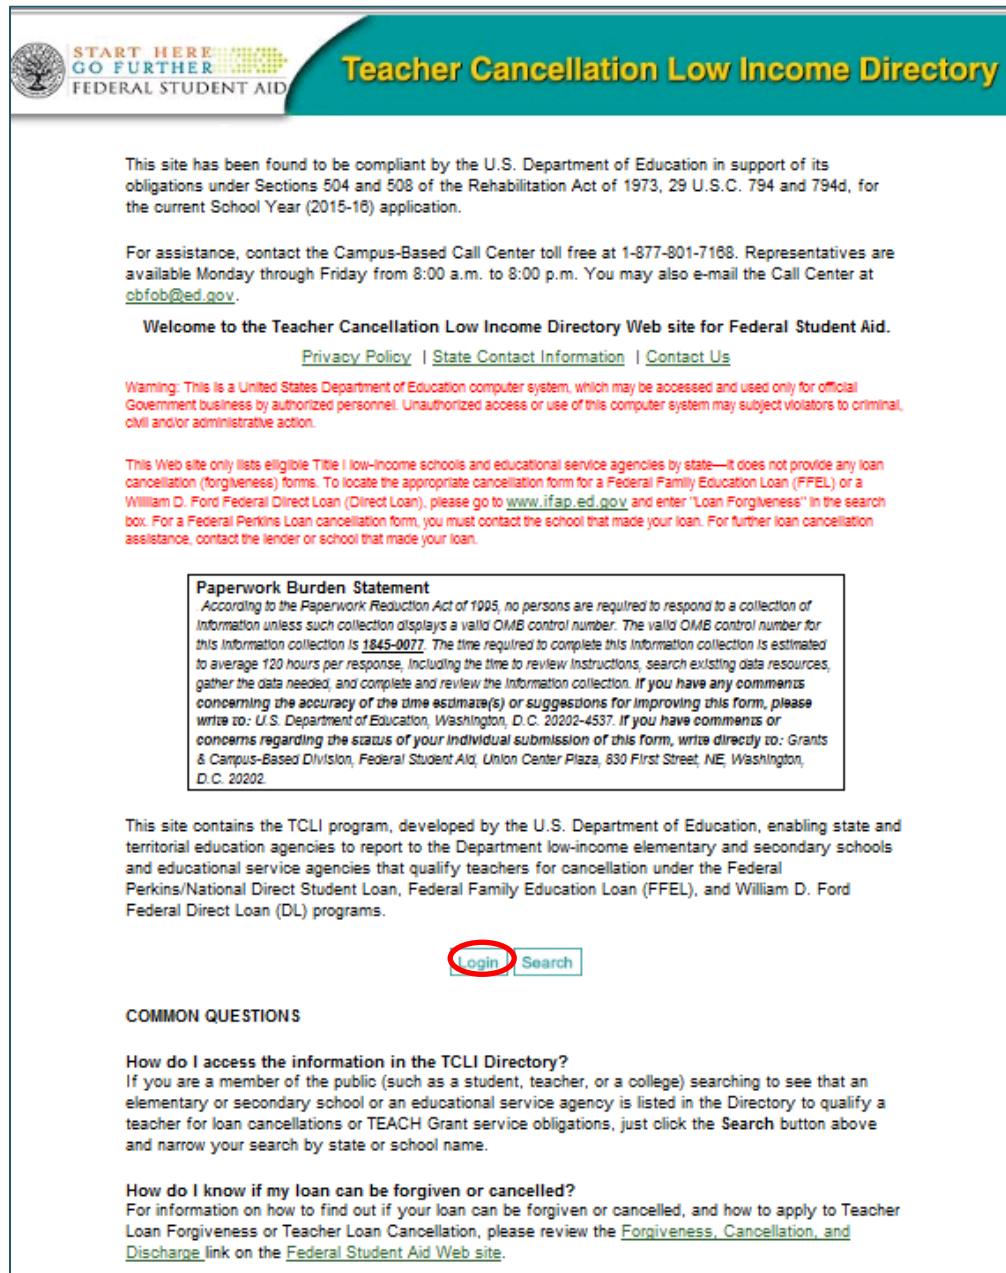

### **Contact Information**

The main header is 'Teacher Cancellation Low Income Directory'. On the left side, there is a navigation menu with links: 'Home/Setup', 'State Contact Info', 'TCLI Directory', 'Upload/Download', 'Update Profile', 'Reports', 'Users Guide', and 'Logout'. The 'Home/Setup' link is highlighted with a red box. The main content area has a teal header that says 'Welcome to Teacher Cancellation Low-Income (TCLI) Web Page' and 'TCLI'. Below this, it says 'State: MISSOURI - Year: 2014-2015'. The text reads: 'Welcome to the Teacher Cancellation Low-Income Directory website. This site is designed to help State TCLI representatives to maintain an up-to-date listing of low-income schools and educational service agencies. Use the "Change Year" option to select the desired TCLI directory year that you would like to update.' There is a dropdown menu for 'Year' with '2014-2015' selected, and a 'Change Year' button below it. Both the dropdown menu and the button are circled in red.

## Updating the State Contact Info

The State Contact Info selection allows you to update the primary and secondary State/Territory contact responsible for updating the TCLI Directory. The primary contact is the person the Department will contact with new and updated information concerning the TCLI Directory. When that duty changes in the State/Territory office, the information must be updated in the TCLI Directory.

The screenshot shows the top navigation bar with the logo "START HERE GO FURTHER FEDERAL STUDENT AID" and the title "Teacher Cancellation Low Income Directory". Below the navigation bar is a sidebar menu with options: Home/Setup, State Contact Info (highlighted with a red box), TCLI Directory, Upload/Download, Update Profile, Reports, Users Guide, and Logout. The main content area is titled "Welcome to Teacher Cancellation Low-Income (TCLI) Web Page" and includes a "TCLI" button. The page displays "State: MISSOURI - Year: 2014-2015" and a welcome message. A "Year" dropdown menu is set to "2014-2015" with a "Change Year" button below it.

The screenshot shows the "Primary State Contact Information" and "Secondary State Contact Information" forms. The top navigation bar and sidebar menu are the same as in the previous screenshot. The main content area is titled "Welcome to Teacher Cancellation Low-Income (TCLI) Web Page" and includes a "TCLI" button. The page displays "State: MISSOURI - Year: 2014-2015" and "OMB Number: 1845-0077". Below this is a paragraph of text explaining the information provided. The "Primary State Contact Information" form includes fields for State, Agency Name, Agency Address, Agency Address #2, City, ZIP Code, Contact Name, Job Title, Phone, and E-mail. The "Secondary State Contact Information" form includes fields for Contact Name, Job Title, Phone, and E-mail.

## Updating the TCLI Directory

Your state's TCLI Directory must be updated each year with all low income schools and educational service agencies for that year. You can add/delete/and update specific schools and educational service agencies individually for any of the years (see page 11). Please note that *the prior year list does not roll over into the new year*. We recommend that if you do not have an automated system within your procedures, that you download the prior year list, update it, and then upload it into the new year (see page 13). If you are developing automated procedures, the allowable format is available online through a link on the Upload/Download page:

The screenshot shows the 'Teacher Cancellation Low Income Directory' web page. The left sidebar has a red box around the 'Upload/Download' link. The main content area has a teal header with the title 'Teacher Cancellation Low-Income (TCLI) Web Page' and a 'TCLI' button. Below the header, it says 'State: MISSOURI - Year: 2014-2015'. The text explains that the page allows users to upload and download the directory, with a red circle around the 'click here' link. A reminder states that the list from the prior year does not rollover. A suggestion advises downloading the list first if not using an automated process. There are sections for 'Upload' and 'Download' with corresponding buttons and a file selection field.

You can update your state's TCLI Directory by:

- Updating or deleting a school or educational service agency in the Directory one at a time,
- Adding a new school or educational service agency one at a time, or
- Downloading your state's list, updating it, then uploading it back to the TCLI Directory (Recommended).

## Updating or Deleting Existing Individual School Data Entries
