

### General Instructions

## For Application for Dependency and Indemnity Compensation by Parent(s) (Including Accrued Benefits and Death Compensation when Applicable)

### VA Form 21P-535

**Note: Read very carefully, detach, and keep these instructions for your reference.**

#### A. How can I contact VA if I have questions?

If you have any questions about this form, how to fill it out, or about VA benefits, contact your nearest VA regional office. You can locate the address of the nearest regional office in your telephone book blue pages under "United States Government, Veterans" or call 1-800-827-1000 (Hearing Impaired TDD line 711). You may also contact VA by Internet at <https://iris.va.gov>.

#### B. What is the purpose of VA Form 21P-535?

Use VA Form 21P-535 to apply for:

- VA benefits you may be entitled to receive as the surviving parent(s) of a deceased veteran
- Any money VA owes the veteran but did not pay prior to his/her death (accrued benefits).

If you apply for one of these benefits, the law requires that we also consider your entitlement for the other.

#### C. What is the purpose of the attached SSA-24 form?

You can apply for Social Security benefits by using the SSA-24 form attached to this VA form (see pages 7 and 8). You don't have to apply if you don't want to or have already done so. If you do want to apply, fill it out and leave it attached. We will send it to the Social Security Administration for you. They will then contact you.

#### D. What is dependency and indemnity compensation (DIC), and how does VA decide what I will or will not receive?

DIC may be payable to parent(s) when:

- a veteran's death occurred in service, or
- a veteran dies of a service-connected disability,

**AND**

- your income is limited.

VA pays Parents' DIC based on the amount of the claimant's countable income and whether the claimant is the sole surviving parent of the veteran or one of two parents. This is based on law. If the claimant is married and lives with his/her spouse, the claimant's and the spouse's income are counted. VA must include as income payments received from all sources that Federal law specifies.

Benefit rates and income limits are frequently changed, so it is not possible to keep this information current in these instructions. You can find out what the current income limitations and rates of benefits are by contacting your nearest VA regional office. You can locate your local VA regional at the following web site [www.va.gov/directory](http://www.va.gov/directory).

**Note:** Unless a claim for DIC is filed within one year from the date of the veteran's death, that benefit is not payable from a date earlier than the date VA receives the claim.

#### E. How do I apply for the aid and attendance allowance?

VA may pay a higher rate of DIC to a surviving parent who is blind, a patient in a nursing home, or otherwise needs regular aid and attendance. If you wish to apply for this benefit, check "yes" for Item 29.

#### F. How do I complete my application?

Print all answers clearly. If an answer is "none" or "0," write that. Your answer to every question is important to help us complete your claim. If you do not know the answer, write "unknown." For additional space, use Item 44, "Remarks," or attach a separate sheet, indicating the item number to which the answers apply. Make sure you sign and date this application (Items 40a through 41b).

**Note:** If the claim is being made on behalf of an incompetent person, the application form should be completed and filed by the legal guardian. If no legal guardian has been appointed, it may be completed and filed by some person acting on behalf of the incompetent person.

#### G. What do I do when I have completed my application?

When you have completed this application, mail it or take it to a VA regional office. Be sure to attach any materials that support and explain your claim. Also, make a photocopy of your application and everything that you submit to VA before mailing it.

## H. How can I assign someone to act as my representative?

A representative can be an accredited member of an accredited organization or other service organization that the Secretary of Veterans Affairs recognizes, an agent recognized by VA, or a licensed lawyer. If you appeal the decision, agents and attorneys can charge you for services that you receive from them only after the Board of Veterans' Appeals (BVA) gives you its final decision about your application. That means you can use an attorney during any stage of your application for benefits; however, the agent or attorney cannot charge you for services unless you are trying to resolve a dispute with VA after BVA has made a decision about your claim.

If you want to use a representative to help you with your application, contact the nearest VA regional office. Depending on the type of representative you want to designate, we will send you one of the following forms: VA Form 21-22, *Appointment of Veterans Service Organization as Claimant's Representative*,

or VA Form 21-22a, *Appointment of Individual as Claimant's Representative*.

You may also download these forms at [www.va.gov/vaforms/](http://www.va.gov/vaforms/). If you have already designated a representative, no further action is required on your part.

## I. What if I believe that VA has made an error in processing or deciding my benefits?

You can ask for a personal hearing at any time during the processing of your claim. That means you can ask for the hearing while VA is processing your claim or after VA has made a decision. You should contact the nearest VA regional office and tell them that you want a personal hearing on your case. Someone in the local VA regional office will arrange a time and a place for your hearing. At this hearing, you may bring witnesses. VA will record whatever you and your witnesses say during the hearing and include it in the official record. VA will furnish the hearing room and officials, and prepare a transcript of the hearing. VA cannot pay your expenses or the expenses of anyone you want to bring with you to the hearing.

**IMPORTANT** - If you are certifying that you are married for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided at the time of marriage, or where you and/or your spouse resided when you filed your claim (or a later date when you became eligible for benefits) (38 U.S.C. § 103(c)). Additional guidance on when VA recognizes marriages is available at <http://www.va.gov/opa/marriage/>.

**Privacy Act Notice:** The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 5, Code of Federal Regulations 1.526 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22/28, Compensation, Pension, Education, and Vocational Rehabilitation and Employment Records - VA, published in the Federal Register. Your obligation to respond is required to obtain or retain benefits. Giving us your SSN account information is mandatory. Applicants are required to provide their SSN under Title 38 USC 5101 (c) (1). The VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. Information that you furnish may be utilized in computer matching programs with other Federal or state agencies for the purpose of determining your eligibility to receive VA benefits, as well as to collect any amount owed to the United States by virtue of your participation in any benefit program administered by the Department of Veterans Affairs.

**Respondent Burden:** We need this information to determine eligibility for death benefits and accrued benefits under 38 U.S.C. 1121, 1310, 1315, and 5121. Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 1 hour and 12 minutes to review the instructions, find the information and complete this form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this form.

You **do not** have to complete this application; there are no penalties under the law if you do not complete part or all of the SSA-24. If you **do** wish to supply the information requested on the SSA-24, this information will be forwarded to the Social Security Administration and used by them to determine whether social security benefits may be payable to surviving dependent(s) of the veteran.
