**Thank You for Completing Our Survey!**

Thank you for taking the time to participate in our survey. We value the information you have provided. Your responses are vital in helping NIST to provide measurement services that meet the highest standards of excellence.

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be five to ten minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Gregory Strouse, 100 Bureau Dr., MS 8363, Gaithersburg MD 20899 or [gstrouse@nist.gov](mailto:gstrouse@nist.gov).

**OMB Control No. 0693-0031**

**Expiration Date: 03/31/2015**
