1. NVLAP INTERACTIVE WEB SITE (NIWS)

OMB Control No. 0693-0031

Expiration Date: 03/31/2015

NVLAP INTERACTIVE WEB SITE (NIWS) TRANSACTIONAL SURVEY

You are encouraged to provide feedback to NVLAP about your experience using the NVLAP Interactive Web Site (NIWS). Your comments will provide valuable information for the identification, prioritization, and implementation of future system modifications and enhancements.

NVLAP would appreciate your taking a few minutes to respond to the following questions. Thanks in advance for sharing your opinions and suggestions about the NIWS!

1. Please select all NVLAP programs for which you submitted an application during this session.

- Acoustical Testing Services
- Asbestos Fiber Analysis
- Biometrics Testing
- Carpet and Carpet Cushion
- Construction Materials Testing
- Efficiency of Electric Motors
- Electromagnetic Compatibility & Telecommunications
- Energy Efficient Lighting Products
- Fasteners and Metals
- Healthcare Information Technology Testing
- Personal Body Armor
- Radiation Detection Instruments
- Thermal Insulation
- Voting System Testing
- Wood Based Products

Please answer Questions 2 through 5 using the following rating scale:

2. Thank you for taking the survey!

This survey was designed to be anonymous, so NVLAP cannot respond individually to your comments. If you would like to discuss your comments with a NVLAP representative, please feel free to contact us by phone at 301-975-4016 or by e-mail at NVLAP@nist.gov.

NOTICE:

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 9 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Vanda White, vanda.white@nist.gov, 301-975-3592.
