NIST Free Online Databases Customer Satisfaction Survey

Welcome to the Free Online Databases (FREE) Online Customer Satisfaction Survey System. This system allows you to submit a Customer Satisfaction Survey for the products and services you received from the National Institute of Standards and Technology (NIST) or one of our Distributors/Resellers. Please note that it is not required to identify yourself by name or organization. However, any provided Customer Information will allow us to contact you for any problems, issues or comments you submit. We review all Surveys and when possible follow-up on any Fair and Poor ratings.

All items marked with an * are required. You may need to scroll down for the form and the buttons.

Step this action. this form.

this data.

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Office of Data and Informatics 301-975-2200 data@nist.gov

OMB Control No.: 0693-0031 OMB Expiration Date: March 31, 2015
