Attachment 4a: Online Screener: Waves 1 - 4

(FHI 360, The Emery Group, & SmithGeiger on behalf of the Centers for Disease Control and Prevention, Division of Community Health)

April 4, 2013

<u>Introduction</u>

SHOW: <u>About this screener</u>: Thank you for your interest in participating in this survey about health information. Your participation in this survey is completely voluntary. The screener will take approximately 3 minutes to complete. If you qualify to participate, the online survey will take approximately 22 minutes of your time. In this online survey you are going to be shown sample advertisements and asked to share your honest opinions about them.

Your responses will be entered into a database and will only be seen by researchers associated with this online survey. Your answers will be kept secure to the extent permitted by law. There will be no risk to you. You may stop at any time. You will receive your gift, as it is explained in your online survey invitation, after completing the online survey.

If you have any questions about this online survey or about your rights as an online survey participant, please email them to StudyInfo@fhi360.org.

By clicking 'Next,' I am agreeing to the above project description.

GENERAL SCREEN OUT MESSAGE UNLESS OTHERWISE NOTED: Thank you for your participation in this online survey. Unfortunately, your responses indicate that you did not qualify for this particular online survey, or that we have already reached our required quota of responses from participants similar to you. We appreciate your enthusiasm for our online survey and hope you will join us on future online surveys!

Public Reporting Burden Statement

Public reporting burden of this collection of information is estimated to be approximately 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0572).

Screening Criteria
