

[LOCAL HEALTH DEPARTMENT LETTERHEAD]

[CONTACT NAME]  
[CONTACT ADDRESS]

Dear [CONTACT NAME]:

This letter is to inform you that as of [21 DAYS AFTER EXPOSURE], you have reached the completion of your 21-day monitoring period following your exposure to Ebola virus.

The [LOCAL HEALTH DEPARTMENT NAME] has determined that you have no significant risk of developing Ebola Virus Disease. Because your monitoring period has ended, you will no longer be asked to check your temperature twice a day and you will not be required to maintain contact with [LOCAL HEALTH DEPARTMENT NAME].

You are under no travel restrictions whatsoever, and you can engage in your normal work or school activities without any restrictions. If you work in a healthcare setting, you may provide direct patient care. You may share this letter with your employer as confirmation that you are no longer considered at risk for developing Ebola.

[LOCAL HEALTH DEPARTMENT NAME] would like to thank you for your cooperation and efforts to protect the health of your community.

Sincerely,

[HEALTH COMMISSIONER NAME]
