Subject: Fwd:PUBLIC COMMENT ON FEDERAL REGISTER too much press releases and not enough research - wasted us tax dollars - put it on the web and let people who need it get it

TAXPAYERS DO NOT NEED OR WANT TO PAY FOR THIS PROGRAM. IT IS OVERSPENDING, WASTE AND SHOULD BE SHUT DOWN. LET THE AMERICAN CANCER SOCIETY AND ALL THE OTHER CANCER SOCIETIES HANDLE THIS. ALL CDC SHOULD DO IS PUT A WEBSITE ON THAT IS CLEARLY WRITTEN AND LEAVE IT AT THAT. THOSE WHO NEED TO KNOW CAN GO THERE FOR INFORMATION. THE US PUBLIC IS SICK AND TIRED OF SUPPORTING THE LAX STUPID CDC FAT CAT BUREAUCRACY WHO EXIST PRIMARILY AS PROPAGANDISTS. THESE PROPAGANDISTS LOOK FOR ETERNAL WORK TO CONTINUE AT THEIR HIGH SALARIES AND BENEFITS. IT IS IRONIC THAT THE FEDERAL GOVT THROUGH ITS EPA AND FDA CAUSE THE CANCERS AND THEN THIS AGENCY GETS TO WARN ABOUT ITS SYMPTOMS. AN INTELLIGENT PERSON WOULD STOP THE EPA AND FDA FROM CAUSING THE CANCERS TO STOP ALL THIS BULLSHIT. THIS AGENCY LIKES TO WASTE AND SPEND WITH THINGS WE DON'T NEED AT ALL. CUT THIS OFF. WE DON'T NEED THIS LUDICROUS SURVEY EITHER. THIS COMMENT IS FOR THE PUBLIC RECORD. PLEASE RECEIPT. JEAN PUBLIC

Subject: Fwd:public comment on federal register not enough research - wasted us tax dollars - put it on the web and let people who need it get it

spending for this survey is ludicrous. just put it on the website and be done with it. why isn't cdc speaking up when epa goes to approve toxic carcinogenic chemicals in pesticides, herbicides in our food. why is cec a wimp so that these toxic chemicals are eaten by americans and cause cancer. MANY ARE KNOWN CARCINOGENS BUT THIS AGENCY WHICH HAS THE RESEARCH SHOWING CANCER FROM THEM CAN SPEAK OUT AND CHOOSE TO LIFT NOT ONE FINGER TO STOP THE CANCER CAUSING FOOD WE ARE GIVEN. THIS AGENCY JUST GOES ALONG WITH IT AND DOES NOTHING. OUR GOVT IS BEHIND THE CANCER PROBLEM AND IS ALLOWING CANCER TO GROW IN AMERICA. THIS COMMENT IS FOR THE PUBLIC RECORD. I DO NOT APPROVE THIS SPENDING BECAUSE WE CAN CUT CANCER IF WE GET EPA TO STOP APPROVING CANCER CAUSING DRUGS AND CHEMICALS. THIS COMMENT IS FOR THE PUBLIC RECORD. PLEASE ACKNOWLEDGE RECEIPT .JEAN PUBLIC
