Instructions

Here's how it works:

1. You will be asked to find a certain item and presented with a list of links.
2. Click through the list until you arrive at one that you think helps you complete the task.
3. If you go down the wrong path, no worries. you can always go back.

This is not a test of your ability, there are no right or wrong answers.

That's it, let's get started!
